

2025–2027 ENTENTE DE PARTENARIAT RÉGIONAL ET DE TRANSFORMATION NUMÉRIQUE EN TOURISME

CATEGORY: STUDIES AND CONSULTING

The 2025–2027 *Entente de partenariat régional et de transformation numérique en tourisme* (EPRTNT 25-27) reflects the shared desire of the Ministère du Tourisme (MTO), the Nunavut Tourism Association, KRG and Makivvik to join forces to provide guidance and financial support to tourism businesses in their area so that these businesses can develop and grow in a responsible and sustainable way.

GENERAL OBJECTIVES

Projects must help achieve the following objectives:

- Stimulate the regional economy by:
 - Developing a responsible and sustainable tourism offering
 - Promoting an innovative tourism offering
 - Developing new niches for tourism businesses that have positive impacts for the community and the region
- Increase tourism businesses' capacity for action by:
 - Implementing actions or adopting best practices, particularly with regard to tourism businesses' social and environmental responsibilities
 - Integrating innovative solutions, including digital technologies

ELIGIBLE CLIENTS

The following types of organizations are eligible for this program:

- Tourism businesses:
 - For-profit organizations
 - Non-profit organizations (NPOs)
 - Cooperatives
- Municipal entities¹
- Indigenous communities and nations recognized by the National Assembly, as well as Indigenous tourism organizations and businesses
- Regional tourism associations with the support of financial partners for each submitted project
- Any group of such clients

Eligible businesses must be legally incorporated under the laws of the government of Québec or Canada and must do business in Québec.

To be eligible, an organization must have delivered on any commitments to partners for any prior subsidies it was awarded.

Businesses and organizations operating tourism accommodation establishments must follow all laws and bylaws in effect for these establishments and must possess a registration number.

Nature and adventure tourism businesses must demonstrate, when required, that they meet the standards of Adventure

Écotourisme Québec's [Quality-Safety accreditation program](#) or that they have initiated or intend to initiate the process to do so.

INELIGIBLE CLIENTS

- State-owned enterprises, as well as ministries and agencies of the Québec and Canadian governments
- Applicants listed in the Registre des entreprises non admissibles aux contrats publics (RENA)

ELIGIBLE PROJECTS

Financial assistance may be awarded for a contract given to a consultant to provide individual business coaching or consulting services or to carry out a study, assessment, or other project related to:

- Improving business practices
- Labour upskilling
- Customer service
- Digital needs
- Developing a new project or activity
- Developing and establishing responsible and sustainable policies, practices, or initiatives
- Identifying solutions to ensure the business's long-term viability and allow it to update its business model; adjust to social, environmental, and technological challenges; and implement innovative projects

The job must be done by a specialized firm or recognized organization following a call for tenders (a minimum of two tenders is required).

INELIGIBLE PROJECTS

The following projects are not eligible:

- Bed and breakfast projects
- Condominium hotel (condotel) projects
- Bike path projects
- Snowmobile trail projects
- Projects in the food and beverage or retail sectors
- Projects to develop training content
- Projects in the gambling sector
- Projects for locations dedicated to selling or consuming alcohol
- Projects where most of the costs are for upgrading, maintaining, or replacing existing infrastructure or equipment
- Projects that have already been completed or are in the process of being completed when the request is filed
- Projects for fewer than four tourist residences or organizations renting fewer than four tourist residences on the same site

¹ Municipal entities include municipalities, towns, cities, villages, parishes, townships, united townships, northern villages, unorganized territories, regional county municipalities (RCMs), metropolitan communities, intermunicipal management boards, and corporations or organizations that have most of their

members appointed by or over half of their funding provided by a municipal corporation, as well as groups of such municipalities, corporations, or organizations.

- Projects to acquire businesses
- Projects receiving non-repayable financial assistance from the Programme d'aide à la relance de l'industrie touristique (PARIT) or other programs established by the MTO or its partners, if applicable
- Repeat business plans, marketing plans, and local and regional development plans
- Studies and surveys required to apply for financial assistance from other programs or to meet another ministry's requirements

Notwithstanding the foregoing, for agritourism and food tourism projects, financial assistance may be considered for work on facilities or equipment required for the sale of products from these types of projects, as these components are essential to the tourist experience offered to visitors in this industry.

Likewise, certain food and beverage project elements may be considered if they are part of a broader project to improve or develop the tourist experience.

PROJECT SELECTION CRITERIA

- Compatibility with EPRTNT 25-27 objectives
- Major impact (ability to draw visitors, project scope, effects, coordination with other partners, job creation, extension of the tourist season, etc.)
- Innovative character
- Design, product, and service quality
- Financial structure and financing package
- Relevance (primarily tourist clients, diversification of clients, market, competition, quality of offering, marketing strategy, networking, etc.)
- Feasibility (timeline, marketing strategy, quality of the business plan or study estimates, developer expertise)
- Consideration of sustainable development principles

FINANCING TERMS

- The financial support is a non-repayable financial contribution.
- The project must have at least \$20,000 in eligible costs.
- *Financial support cannot surpass \$95,000.*
- *Financial support cannot surpass 90% of eligible costs, but must comply with the investment and stacking requirements for eligible clients.*

The following table lists the applicable investment percentage and stacking rules for each type of client.

Eligible clients	Minimum developer investment (% of total project costs)	Maximum stacking of government assistance (% of eligible project costs)
For-profit organization	50%	50%
NPO or cooperative	20%	80%
Municipal entity	20%	80%
Indigenous community, organization, or nation	10%	90%

If the project receives investment from the developer or its partners (community support, private sponsorships), this investment cannot come from:

- A source used to calculate the stacking of government assistance
- A transfer of assets
- A contribution in goods and services

When calculating the stacking of government financial assistance, contributions are counted from municipal entities and any ministries or agencies of the Québec or federal governments.

Please note that **each funding partner (the Ministry of Tourism, KRG, and Makivvik) has its own financial processes and requirements**, and NTA will guide promoters through these steps

ELIGIBLE COSTS

- Professional fees paid to specialized firms or consultants to carry out specific studies on developing an area's tourism offering or providing targeted coaching to improve the quality of services and products
- Net taxes (excluding the refundable portion) related to direct costs

INELIGIBLE COSTS

- Wages, operating costs, and management costs that are regular or related to the developer's project
- Costs related to working capital, debt service, attrition, capital losses, or share buybacks
- Costs of bringing the business up to standards, maintaining assets, or ensuring bylaw compliance
- The portion of Québec sales tax, the portion of the goods and services tax, and other costs for which the business (or a third party) is entitled to a refund
- Transfers of assets, as well as donations and contributions in kind or in services
- Regular maintenance and operating costs
- Direct or indirect operating or administrative costs
- Financing costs
- Compensation paid to lobbyists
- Costs for which the recipient entered into contractual obligations before filing the request for financial assistance (with the exception of fees related to project development)
- Promotional, advertising, and marketing costs
- Cost overruns
- Legal fees

SPECIAL RULES

EQUAL ACCESS EMPLOYMENT PROGRAM

- Any financial assistance of \$100,000 or more granted to a for-profit organization with over 100 employees requires the organization to agree to set up an equal access employment program in compliance with the *Charter of Human Rights and Freedoms*.

SUSTAINABLE DEVELOPMENT

- Studies or consulting projects to do with developing the organization or establishing responsible or sustainable policies, practices, or initiatives are eligible.
- The project must include sustainable development measures that reduce the project's impact on the environment and have positive social and economic impacts. Project appraisals will take into account the overall approach proposed for sustainable development, including integration of social and eco-friendly components.

REQUIRED DOCUMENTS

- Completed and signed form, SENT IN PDF FORMAT
- Copy of the call for tenders specifications, listing the issues, objectives, methodology (if applicable), deadline, and expected deliverables
- Two offers of professional services (tenders)
- A resolution from the board of directors (or equivalent) authorizing a person to sign the request for financial assistance from this program, as well as any documents relevant to the request
- For organizations operating in Québec and employing 25 people or more over a 6-month period, an OQLF attestation or certificate attesting to compliance
- Confirmation of financial partners, if available
- If applicable, an Indigenous certification or certificate recognizing the Indigenous status of a for-profit organization, NPO, or cooperative (which helps determine the level of assistance)
- For nature and adventure tourism businesses, a document proving that they meet the standards of Aventure Écotourisme Québec's [Quality-Safety program](#) or that they have initiated or intend to initiate the process to do so
